TIMELINE AND AVAILABILITY

- Chief, Data Driven Warfighting Initiative U.S. Army Europe and Africa – 2023 - Current
- Chief of Plan U.S. Army Europe and Africa (G35), 2022-2023
- Executive Officer to the Deputy Commanding General (DCG) U.S. Army Europe and Africa 2021-2022
- Executive Officer to the Chief of Staff (CoS) U.S. Army Europe and Africa – 2019-2021
- Regimental Executive Officer through May 2019
- Squadron Executive Officer through June 2018
- Regimental Chief of Operations through May 2017
- Office, Chief of Legislative Liaison through April 2016
- Staff assistant to Deputy Director of Intelligence (Warfighter Support) through April 2015

ASSIGNMENTS AND ACHIEVEMENTS

1. Chief of Data Driven Warfighting Initiative for US Army Europe and Africa, Wiesbaden, Germany (2023-Present)

- Project leader to synchronize efforts across US Army Europe and Africa (USAREUR-AF) to increase the commander's understanding of combat capability and to enhance decision-making by integrating structured real-time data to allow for on-demand modeling, and enable data informed decision making.
 - Using this project to inform US European Command, Headquarters Department of the Army, as well as the Office of the Secretary of Defense (OSD_ Chief Data and Artificial Intelligence Office (CDAO) on the future of mission command for the Joint Force as well as our NATO allies and partners.
2. Chief of Plans U.S. Army Europe and Africa (G35), Wiesbaden, Germany (2022-2023).
 - Led, synchronized, and coordinated a diverse team of over 30 Soldiers, Department of the Army civilians, and contractors representing 22 staff sections and ten subordinate commands in crisis/contingency planning, exercise scenario development and execution, and deliberate planning in support of USAREUR-AF initiative and activities.
 - Advised, led, and oversaw the creation of a brand new special purpose organization from conception to execution. This effort included conducting the analysis to ensure the organization had the right positions for the mission of the unit, the right infrastructure, and all equipment required to execute it's designed mission.
 - Developed the plan to transition U.S. Army Europe and Africa into an operationalized Coalition Forces Land Component Command headquarters through a deliberate training and exercise program. Sustained and validated the capabilities of the headquarters during contingency operations in Europe and the Middle East.
 - Planned, synchronized, and supervised the exercise plan to validate US Army Europe and Africa as a Coalition Forces Land Component Command headquarters as well as developed several contingency plans to support US European Command and the Joint Staff.
 3. Executive Officer to the Chief of Staff (CoS) US Army Europe (May 2019 to Present)
 - Researches, analyzes, and produces specified correspondence on behalf of the CoS, DCG, and CG USAREUR; ensures proper execution of the CoS intent through policy implementation, both written and verbal.
 - Advises the CoS on staff actions, coordinating activities requiring USAREUR staff, direct reporting and subordinate unit's coordination.
 - Directing and supervising the CoS administrative section; assists commanders, staff leaders, and Soldiers as they work to sustain and transform USAREUR.
 4. 2d Cavalry Regiment, Rose Barracks, Germany (July 2018 to May 2019)
SBCT Executive Officer
 - Synchronized and implemented new processes and systems to bring the Regiment to and maintain the highest level of readiness as directed by the Chief of Staff of the Army to support operations in the EUCOM AOR.
 - Oversaw the Regiment's fielding of the 83 new 30mm Stryker variant as well as 76 Stryker Javelin variant. Second in command for an SBCT for a Joint Multi-National Readiness Center rotation and SBCT live fires

- Responsible for synchronizing commanders and the Regimental staff to execute training and operations for 4,600 Soldiers in a Stryker Brigade Combat Team (SBCT) tasked to conduct full spectrum operations in the EUCOM AOR.
 - Transitioned Regimental staff systems and processes from a direct reporting unit to US Army Europe (USAREUR), to new systems and processes to support Training Readiness Authority under 7th Army Training Command.
5. 1st Squadron, 2d Cavalry Regiment, Rose Barracks, Germany and Bemowo Piskie, Poland (May 2017 – July 2018)
Squadron Executive Officer
- Served as the Executive Officer for the NATO enhanced Forward Presence (eFP) Battle Group in Poland, synchronizing the battle group staff to accomplish three multinational brigade level exercises.
 - Planned, synchronized efforts and executed EUCOM directed Exercises Saber Guardian 18, Noble Partner 18, as well as the Squadron's training path from platoon to company level live fires, and the execution of Allied Spirit VII, and Dynamic Front 18.
 - Responsible for assisting the commander in the training and tactical employment of 900 Soldiers and Officers in a Stryker Infantry Battalion tasked to conduct full spectrum operations in the EUCOM AOR. Ensured the command and staff are synchronized on matters affecting the command
6. 2d Cavalry Regiment, Rose Barracks, Germany (August 2016 to May 2017)
SBCT Chief of Operations
- Planned and coordinated with the USAREUR staff for 2CR's execution of Saber Guardian 18, Noble Partner 18, and several Emergency Deployment Readiness Exercises (EDRE's) to locations inside of and outside of Germany.
 - Updated, developed, and executed staff battle drills for use in the Regimental Operations Center to improve common understanding of operations for use during SABER JUNCTION 2017.
7. Pentagon, Washington DC (May 2014 - April 2016)
Office of the Chief of Legislative Liaison (OCLL) Planner, Special Staff Assistant to the Deputy Director of Intelligence (Warfighter Support)
- Planned, organized, and synchronized events, engagements and strategies to achieve the Secretary of the Army's Congressional Objectives.
 - Served as the lead planner for Congressional and Staff delegation support and participation in the Army 10 Miler and AUSA Weeks.
 - Planned and executed OCLL's portion of Headquarters, Department of the Army's (HQDA) Continuity of Operation exercise to ensure that in crisis situations, HQDA would maintain communication with the executive and legislative branches to execute policy.

- Lead action officer for a several month long project requiring close coordination with interagency partners to oversee and write a Congressional response to “what is the whole of government approach to dismantling and defeating the Haqqani Network in Afghanistan.”
 - Lead action officer to develop a policy paper to inform the Undersecretary of Defense for Intelligence on areas to improve NATO’s information sharing practices, specifically in terms of ISR.
8. 4th Brigade, 4th Infantry Division (Light), Ft Carson, CO (Operation ENDURING FREEDOM) (April 2010 – June 2013)
Assistant Operations Officer, Company Commander, Brigade Maneuver Plans Officer
- Planned, resourced, and executed the Brigade’s 9 day redeployment from OEF X, a model adopted by the Division as the standard for all re-deploying brigades in the Division.
 - Assigned the Battalions most diverse AO in Eastern Afghanistan consisting of 3 districts (Kunar, Dangham, Shingar) to synchronize actions of one Afghan National Security Force battalion, one Afghan Border Police Battalion, and three, Afghan Uniformed Police Districts.
 - Worked with Governmental and Non-Governmental Organizations to conduct COIN operations in support of the Afghan Government and ISAF objectives.
 - Planned several combined multinational Brigade level operations along the AFPAC border
 - In conjunction with the British SBS, planned the Brigades assumption of Kapisa, the Brigade’s fifth province to replace a French Brigade.
9. 6th Ranger Training Battalion, Eglin Air Force Base, FL (April 2008 – March 2010)
Assistant Operations Officer, Platoon Tactical Training OIC
- Planned, resourced, and facilitated 11 Ranger classes, two Battalion level mass casualty training exercise, and 6th RTB Annual Open House.
 - Responsible for training over 500 Ranger students in the Florida phase of Ranger School with zero safety incidents.
 - Was the only officer to certify as the primary instructor for the Santa Rosa Island mission.
10. 1-36 Infantry Battalion and Brigade HHC, 1st Brigade, 1st Armored Division, Ray Barracks, Germany (Operation IRAQI FREEDOM) (November 2004 – August 2007)
Rifle Platoon Leader, Specialty Platoon Leader, Trail Party Commander
- Platoon leader responsible for a several month long training plan to prepare the Platoon to deploy to Iraq in support of Operations IRAQI FREEDOM
 - Selected to be the Battalion Scout Platoon Leader, deployed to Anbar Province Iraq and conducted daily patrols.
 - Selected and the trail party commander to de-activate 1-36, responsible for planning and executing the turn in of all installation property, MTOE equipment, and oversaw the PCS of over 300 Soldiers all of whom had to curtail their assignment so the battalion could be stood up in Ft. Bliss Texas.
