

Trusted, Strategic IT Guidance. That's FASST.

Introducing the Federal Agency Strategic Support Team (FASST) – a concierge-style service with seasoned advisors to help with your complex Information Technology (IT) challenges.

Forward-Thinking

FASST harnesses best-in-class tools and acquisition expertise from NASA SEWP to help you identify strategic solutions in a time-sensitive manner. FASST partners with you through every stage of the acquisition process.

Above and Beyond

FASST's dedicated team looks behind the "ask" to understand your underlying IT needs. Leveraging years of experience, they guide you to solutions that meet your acquisition objectives.

Problems Solved

FASST's commitment to customer satisfaction, responsiveness, and feedback is a priority. From pre- to post-order support, FASST is there for you every step of the way.

24/7 IT Expertise

Absolutely no cost.
