

# Why the Technical Community Uses SEWP

## GET THE TECHNOLOGY YOU NEED — FAST.

Streamline Pricing & Comparison Research

## REASONS TO USE SEWP

### ■ Availability

ICT and A/V Product Solutions and Related Services can be added in one day. There are more than 4 million unique products currently on contract.

### ■ Speed

Products are added, orders are processed and inquiries are responded to — all within one business day.

### ■ Customer Service

Staff is available every step of the way to work with users and Contract Holders to resolve any issues.

### ■ Tracking and Communication

SEWP tracks all orders through delivery and provides continuous feedback and reporting to customers and Contract Holders.

### ■ Assistance

If there is a problem, alert us. We will get it resolved so you get what you want.

### ■ Free On-Site Training

Training is delivered at your agency at no cost to you! WebEx training and online training videos are also available. Email [help@sewp.nasa.gov](mailto:help@sewp.nasa.gov) to learn more.

## TECHNOLOGY INITIATIVES

### ■ Emerging Technology

### ■ Cloud

### ■ Mobility

### ■ Cyber Security

### ■ Product-Based Services

### ■ Health IT

### ■ and more!

*I wonder what makes SEWP so good.... SEWP's reps are consistently responsive; they make sense (answer the question); it brings 'order' (certainty) to federal buying; is fast; and provides real solutions. A+ to SEWP (and I'm hyper-critical [my attitude is that the taxpayer deserves our best]). NASA SEWP is incredible – thank you for setting the bar so high! - SEWP Customer, Oct 2015*

# Why the Acquisition Community Uses SEWP

## IF IT'S IN SCOPE, IT'S ON SEWP.

Streamline Technology Procurement. SEWP accommodates your agency's processes, terms, conditions and clauses. From IT solutions at low prices to assistance in meeting your business goals, you will find it all on SEWP. As an OMB authorized GWAC, the SEWP contracts are utilized by all Federal Agencies.

## REASONS TO USE SEWP

### ■ Low Price and Fee

Product prices, in general, are consistently lower on SEWP due to contractual set-up, oversight and intense internal competition.

### ■ Set-asides

Earn credits for your agency ordering from Small Businesses, HUBZone, Service-Disabled Veteran-Owned (SDVOSB), and Economically Disadvantaged Woman-Owned (EDWOSB).

### ■ Online Tools

Cut down on paperwork. Submit requests for quotes or product additions at [www.sewp.nasa.gov](http://www.sewp.nasa.gov) and have requests archived for future reference.

### ■ Government Oversight

SEWP's online tools assist acquisition shops with competition and compliance with FAR rules and regulations.

### ■ Free On-Site Training

Training is delivered at your agency at no cost to you! WebEx training and online training videos are also available. Email [help@sewp.nasa.gov](mailto:help@sewp.nasa.gov) to learn more.

## ACQUISITION INITIATIVES

### ■ Agency Reports

### ■ Agency Catalogs

### ■ Supply Chain Risk Management

### ■ Strategic Sourcing

### ■ Delivery Orders With Options (DOWOs)

### ■ Policy and Mandate Guidance

### ■ and more!

*You guys are doing a fantastic job! What I appreciate most is all the email correspondence you provide from beginning to end during the procurement process. It makes documenting the file so easy. - SEWP Customer, Oct 2013*
