Keeps on Running...

This extra heavy-duty lift system with commercial display sets up in no time...just pop the top, plug in and push the UP button. Large heat sinks and internal fans dissipate heat. System includes the RS-232 protocol for responsive screen commands.

Size: 58.5" L x 17.5" W x 38.5" H (closed)
58.5" L x 17.5" W x 72" H (deployed)

Weight: 273 lbs

This system is designed for serious users who demand rugged reliability and dependable 24/7 performance.

Heavy-duty aluminum case features wrap-around torsion stabilizers, recessed flip-out padded handles and two end-unit wheels for moving system into position.

- Display raises and lowers at the touch of one button.
- Extra outlets provide convenient power for additional accessories and/or devices.
- Two (2) easily accessible HDMI ports for sources.
